Weybridge 2<sup>d</sup> Nov 7<sup>th</sup> 1857

Dr Garrison

You will see by the enclosed  
 Hand bill that we have made arrange-  
 -ments for you to be here on 7<sup>th</sup> day eve.  
 Weybridge people have expected the pres-  
 -ence of Thompson, and this appears to be  
 the only chance. I went to Hopedale to-  
 day on purpose to make this arrangement.  
 Friend Ballou tho' well of it & probably  
 will be present with others from that place.  
 - You will take the Norfolk Co Cars & will  
 arrive in Weybridge at 5 P.M. - Now do  
 not fail to meet the arrangements - the  
 meeting will be at the Unitarian House -  
 we presume that Thompson will not feel  
 like speaking much - But Garrison & Ballou  
 can take such of the time as ~~he~~ may dic-  
 -tate - The arrangements now are that  
 you come as proposed and spend the  
 night with me; where you will meet some  
 of our Hopedale friends - & we will go with  
 you on first day morn to Hopedale, <sup>a short ride</sup> where  
 you spend the day - and on that evening  
 speak in Millford - This arrangement  
 will make but little more labor for you

than if you did not visit us -

As the time is so very short I want  
you to return an answer by the bearer  
whether we shall be disappointed in your  
not acceding to our appointment.

Respectfully Enoch Hough

~~Friend Ballou -~~
